

About Us

TSG Communities is a community-focused housing and land development company dedicated to creating stable, supportive, and accessible living opportunities. We work closely with nonprofits, shelters, and local service providers to develop housing for individuals and families transitioning out of homelessness or unstable situations.

Our mission is simple: build quality homes that strengthen communities and open doors to long-term stability. We believe housing is more than a place to live — it's the foundation for dignity, opportunity, and hope.

Every project we take on reflects our commitment to responsible development, thoughtful design, and meaningful community impact. At TSG Communities, we're proud to play a part in creating safer, stronger, and more connected communities.
